

REMARKS

Claims 1, 3-6, 9 and 11, 14 and 18-26 are presently pending. Claims 24-26 have been withdrawn from consideration. Claims 1, 3-6, 9 and 11, 14 and 18-23 have been allowed. No claims have been amended herein. Claims 24-26 have been canceled, and no new claims have been added herein.

I. Election/Restrictions

Claims 24-26 have been withdrawn from consideration for being directed to an invention that is independent or distinct from the invention originally claimed. In the interests of expediting the prosecution and allowance of the present case, Applicants have elected to cancel claims 24-26 herein. Applicants respectfully reserve the right to pursue these claims in a suitable future continuation or divisional application.

II. Allowable Subject Matter

Claims 1, 3-6, 9 and 11, 14 and 18-23 have been allowed. Applicants respectfully acknowledge the Examiner for the notice regarding this allowable subject matter. Because all other claims have been canceled herein, and all other issues appear to be resolved, Applicants respectfully submit that all pending claims are in proper form and condition for patentability, and thus request a Notification of Allowance to that effect.
